

# Mrs. Sims' Kindergarten Class

Week in Review

September 23<sup>rd</sup>, 2016

## What We're Learning

### Language Arts:

- Fluently recognizing letters and producing their sounds
- Segmenting and manipulating syllables and phonemes (sounds) in words
- Recognizing beginning, middle, and ending sounds in a CVC word (ex. cat= /c/,/a;/t/)
- Recognizing and producing rhyming words
- Telling a story with pictures, labels, and words
- Handwriting-Pp, Rr

### Math:

- Writing numbers 0-10
- Counting to 20 by ones and counting up to 20 from a given number (ex. 14-20)
- Counting up to 20 objects and explaining how we counted—move and count, touch each one, counting on
- Identifying and writing the worth of the penny and nickel

### Social Studies:

- Using our 5 senses to describe the world around us (Focus: Apple attributes)

## Notes from the Teacher

Dear Parents,

We have had a delicious week in our classroom. We've tried many different types of apples, sampled apple based products, and made our very own applesauce. We have also made great gains in reading, writing, and math!

Parent conferences will begin the first week in October. To schedule conferences I will be emailing a link to "Sign Up Genius" with directions on how to select a time slot. Please be sure to check your email and register for a time, as parent conferences provide the best opportunity for discussing the individual needs of your child.

If you have not returned your child's field trip permission form, please turn it in as soon as possible. The permission form, lunch choice sheet, and donation are all due by October 5<sup>th</sup>. Please note, if we do not receive enough funding for our trip through donations, we will be unable to attend.

Finally, if you would like to volunteer in our classroom you will first need to complete Mandated Reporter Training. Visit [fcboe.org/cles/vmrt](http://fcboe.org/cles/vmrt) to complete training, and contact me if you have any questions.

Sincerely,  
Jessica Sims and Angela Giarratano
